"DIG IN"—While members of Phi Kappa Alpha fraternity look on, the sorority pie eaters gobble their cherry pies. Winner of the women's division was Gloria Shelley, Chi Omega, and men's division champ was Hunter Haynes, Phi Kappa Tau. (See story on page 4.)

## Trustees OK Fee Raise To Offset Budget Deficit

Faced with a cut of more than \$1.5 million from the University's budget request for 1961-62, University Trustees Saturday authorized a fee increase of \$25 a semester for full-time and summer students. The nonresident fee also was increased \$25 a semester.

The fee increases will become effective Sept. 1. Cost to a full-time student then will be \$200 a semester, and \$375 a semester for a full-time out-of-state student. Fees for each term of the summer session will be \$75. Part-time students will pay \$25 a semester hour.

Two alternatives to fee raising—reducing the on-campus enrollment or reducing drastically the quality of the University's educational services by dropping faculty members and reducing salaries—would produce "grave injury to the state and the nation as well as to the thousands of students who desire to enroll in Bowling Green State University," President Ralph W. McDonald told the Board.

President McDonald pointed out that the average state tax support of 14 comparable institutions in Indiana, Illinois, Michigan, and Wisconsin in 1959-60 was \$1,399 per full-time equivalent student. But state tax appropriations to the five state universities of Ohio averaged only \$764.

He said that, while the anticipated state tax support for next year will be substantially above the support in 1960-61, the rapid

## Pozar Selected BGSU's 'Best Dressed Girl'

Arlene M. Pozar was selected from among five finalists to represent Bowling Green State University in Glamour magazine's "10 Best Dressed College Girls in America" Contest, March 9 in the Carnation Room.

A junior, Miss Pozar represented Alpha Gamma Delta social sorority. She was presented the winner's trophy by Ann Scherry, assistant managing editor of the B-G News, who served as mistress of ceremonies.

"I still can't believe it," said Miss Pozar excitedly after the show. And excited she was. In fact she left the purse that matched her last outfit at the sorority house.

The four runners-up were Nancy L. Anderson, Delta Gamma; Eileen A. Tambellini, Treadway Hall; Judith A. Sedler, Lowry Hall; and Judith G. Snodgrass, Gamma Phi Beta. These women were the finalists from two previous eliminating contests. Eighteen women, representing all women's housing units on campus, were entered in the contest.

Selection was based on good posture, well-kept hair, imagination in managing a clothes budget, an appropriate campus look, individuality, and good grooming.

In the contest, Miss Pozar modeled a bandstand skirt of navy and white wool with a navy blazer, oxford cloth shirt, navy knee socks, and brown loafers for her on-campus outfit.

Following this, she modeled a daytime off-campus outfit. It consisted of a suit with a navy skirt and a hounds-tooth checked jacket of navy and white with red piping, red clutch bag, white gloves, and navy calf pumps.

She made her final appearance in a white shirtwaist with a sheath

skirt, with the bodice in blue and white satin striped organza over white taffeta. Pale blue pearl and crystal jewelry, satin pumps, and white gloves completed her ensemble.

Three pictures of Miss Pozar—wearing an on-campus outfit, a daytime off-campus outfit, and a cocktail dress—will be submitted to Glamour magazine. In the national contest, Miss Pozar will be competing with women chosen at more than 300 colleges and universities in the United States. From these, the "10 Best-Dressed College Girls

in America" will be selected. The prizes include a two-week all-expenses-paid visit to New York, and national recognition for the women and their colleges in the August issue of Glamour.

Entertainment was provided by Barbara E. Burrows and Terry L. Curran in a calypso routine entitled "Straw Hat"; Robert J. Sealand in a comic routine while playing a theme from the "Warsaw Concerto" on the piano; songs by the Phi Mu and Phi Kappa Psi barbershop quartets; and Carol J. Bragg and Gwendolyn F. Holt in

a comical skit about "Matilda and the Lamb."

The organ music was provided by Richard M. Leichtamer.

Judges for the contest were Mrs. Leroy Rork, buyer for the Style Center; Max Graeber, owner of Max Graeber's Style Store for Men and Women; Miss Alice P. Schocke, assistant professor of home economics; Donald J. Brenner, B-G News director; Dr. John E. Gee, dean of the College of Education; Miss Jackie Gribbons, assistant dean of women; and Fredric T. Stumpo, vice president of the Student Body.

POISE PLUS—Arlene Pozar, BG's 1961 Best-Dressed Girl, (center) poses with the other four finalists in the contest: (left to right) Judy Sedler, Lowry; Nancy Anderson,

Delta Gamma; Eileen Tambellini, Treadway; and Judith Snodgrass, Gamma Phi Beta. Miss Pozar represented Alpha Gamma Delta. (See page 4 for additional picture.)

## Secretary Of State Says U.S. Forces Will Stay In Berlin

Washington (UPI)—Secretary of State Dean Rusk says U.S. forces will remain in Berlin indefinitely and the world must understand that the American government is determined to protect the city and its inhabitants.

Rusk indicated that U.S. forces might be pulled out when there is a general settlement of the problem of a divided Germany.

He told a news conference that solution of the German question is going to take time. He was unwilling at this point to make any guess as to when U.S. and allied forces in the Red-encircled city might be reduced or removed.

## Student Court To Begin Hearing Contempt Cases

Effective immediately, Student Court will exercise its inherent power to charge with contempt any student who willfully violates any order or subpoena issued by the court. Conviction on contempt charges will carry a fine of \$5 to \$25.

In the past, many students who

missed from the University. This meant extra work for both the Student Court and the assistant dean of students.

The new "Contempt of Court" rule make it unnecessary to turn the student's name in, since the court has been given complete authority by President Ralph W. McDonald and the University Board of Trustees to impose penalties for this offense.

It is hoped that this new ruling will impress upon the students that the Student Court is not a mere figurehead, but a competent student organization whose authority should be respected, court members said.

The following is the complete rule as it appears in the Student Court Rules of Procedure:

Rule XI—Contempt of Court: The Student Court has inherent authority to impose penalties for contempt of Court. Contempt of court citations will be issued, pro-

cessed, and adjudicated under the procedures outlined herein.

(a) Acts constituting contempt of court. The following acts and conducts on the part of a student shall constitute contempt of court:

1. Disobedience of, or resistance to, a lawful writ, process, order, rule, judgment or command of the Student Court, including the willful non-payment of a fine imposed by the Student Court.

2. A failure to obey a subpoena duly served or a refusal to be sworn or to answer as a witness when lawfully requested.

3. Use of contemptuous language toward the Student Court in the presence of the Student Court, or any justice thereof.

4. Failure to refrain from excessive noise in or around the Court Room which is delaying or interfering with the proceedings of the Student Court.

5. Fraudulent interference with the files or records of the Student Court or of the Clerk thereof.

(b) Notice of Citation. Excepting those offenses committed in the presence of the Student Court, all persons charged with contempt of court shall be served with a personal notice thereof by a member of the University Police Department. This notice shall inform him of his hearing date, and shall specifically enumerate the contempt charge against the accused. In the case of contempt occurring in the presence of the Student Court, the accused

## Wage Bill Approved

Washington (UPI)—The House Education and Labor Committee has approved a bill to boost the federal minimum wage, over a 28-month period, from \$1 to \$1.25 an hour in a two-step plan.

The committee voted 19-12 for the measure, which also would extend new wage-hour law coverage to 4,311,000 workers, mostly in big chain retail establishments.

The bill, a revised version of one of President Kennedy's 16 priority legislative requests, was expected to go to the House Rules Committee early this week. With early action by that unit, it was expected to go to the floor before the end of the week.

The committee bill will increase minimum wages to \$1.15 four months after the law is passed and to \$1.25 two years later. This increase to \$1.15 an hour would raise wages for about 2.7 million persons. The rest of the 24 million workers now under the law earn \$1.15 or more.

Newly covered workers would be moved gradually to the \$1.25 level. They would gradually be brought under the coverage of the law's requirement for overtime pay for more than 40 hours work in a week.

The new coverage would apply only to employees of firms with \$1 million or more of gross sales per year. The committee also added an exemption for chains with fewer than 15 outlets which individually gross less than \$250,000 a year.

## Hurry-Up Headlines

### Economy Is Recovering--Hodges

PARIS—French officials were reported increasingly optimistic yesterday that direct peace negotiations with the Algerian Moslem rebels would get started this week.

Rebel leaders began a week-long meeting in Tunis yesterday to study latest French peace efforts, including a reported offer to consider the rebels' claim to sovereignty over the Sahara Desert.

LONDON—Britain charged yesterday that a spy ring of five persons, headed by a Russian posing as a Canadian citizen, stole vital naval secrets and transmitted them to Moscow from the cellar of a shabby suburban bungalow.

NEW YORK—Fred Taylor of Ohio State, whose Buckeyes were

a special target for every one of their opponents this season, has been named the college basketball "coach of the year" for 1961 by United Press International.

VIENTIANE, LAOS—Most of the government forces defeated at the Sala Phou Khoun Road junction have fallen back to defend the royal capital of the Luang Prabang from an expected communist attack, U.S. military observers reported yesterday.

WASHINGTON, D.C.—Commerce Secretary Luther M. Hodges says the recession has "hit the bottom" and the economy is recovering but that President Kennedy's anti-recession program still is needed.

# Orientation Applications Due Friday

"Applications for student orientation leaders must be returned to the Orientation Board office in Gate Theatre by Friday," Robert J. Reid has announced.

Reid is acting chairman of the Orientation Board, which recently began its campaign to recruit orientation leaders for next fall.

"Any student who mixes well, likes Bowling Green, and has a knowledge of campus activities or a willingness to learn of them is qualified to apply for a leadership position with the board," said Reid. Students with 2.25 minimum accumulative grade averages will be considered first.

Leaders are required to return to campus two days earlier than upperclass students in the fall. The orientation program will begin at 9 a.m. Sept. 11.

Application blanks may be obtained this week in residence hall offices, from Greek organization presidents, and from the Union Activities office.

## Deadline April 15 For Financial Aid

Students who are on scholarships and grants-in-aid or who wish to apply for either should pick-up application blanks in 211 Administration Bldg., announced Robert E. McKay, financial aid counselor.

The deadline for submitting applications for next year is April 15. Persons on athletic or music grants-in-aid must have applications approved in the athletic or music department offices.

Students who are experiencing particular difficulty or anticipating financial troubles are urged by Mr. McKay to visit the student financial aid office to map out a program for financial assistance.

Students who will be juniors or seniors next semester should learn of their application acceptance or refusal by the close of the semester. Freshmen will not receive notification until the latter part of June, because the financial aid office wants additional time to study freshman grades.

## Official Announcements

Anyone interested in acting as a master of ceremonies for the Commencement on Friday and Saturday nights should contact Wendy L. Blakeley at the Union Activities Organization office.

Freshmen are now eligible to apply for membership in the Society for the Advancement of Management, announced Clarence E. Streeter, president of SAM. Applications may be obtained at the business administration department office, 211 Hayes.

## Student Court Contempt Cases

(Continued from page 1)  
shall be advised by the Chief Justice of his being so charged, and of the date at which a hearing will be held on his contempt citation.

(c) Hearing. At the contempt hearing the Student Court shall hear any answer or testimony which the accused makes or offers. A finding of guilty of contempt of court cannot be based upon a mere intimation or purpose to violate an order of the Student Court but it must appear that something has been done by the accused which may be judged as contempt in carrying out the purpose formed. In cases where the contempt consists of the failure to perform an act, a finding of

guilty requires a finding by the Student Court that the accused had the means within his power to comply with the Student Court's order or decree. The accused may not be adjudged in contempt of an order not entered upon the records of Student Court.  
(d) Penalty. Any student found guilty by Student Court of contempt of court citation under these procedures shall be subject to a fine of not less than \$5 nor more than \$25. In addition to the authority to levy fines, the Student Court shall have authority for continued previous or flagrant acts of contempt, to recommend to the Dean of Men or the Dean of Women that the student be dismissed from the University.

PRECISE PRs—Under the command of Cadet 2nd Lt. Robert E. Schram, BGSU's Pershing Rifles demonstrate their exhibition drill capability at the Gannon College Invitational Drill Meet last week end at Erie, Pa. The BG straight drill squad, under command of 1st Lt. Terrence H. Martell, won the second place trophy in its competition.

## INTERVIEW SCHEDULE

Next week's interviews, as scheduled by the placement office, are:

Monday, March 20  
Anchor Bay schools, Mich., for kindergarten and elementary education.  
Travelers Insurance Co., for insurance and sales, any major.  
J.C. Penney Co., for business trainees, general business, sales, retailing, and marketing.  
Pittner Laboratory, for liberal arts and business majors.  
Fairborn schools, for elementary and secondary education.  
Monday and Tuesday  
March 20 and 21  
Owens-Illinois Co., for accounting and sales.  
Tuesday, March 21  
Polsky's Department Store, for all majors.  
Shell Oil Co., for sales.  
Chevrolet-Cleveland, for accounting.  
Oberlin city schools, for mathematics, chemistry, physics, elementary education, and men's health and physical education.  
Tuesday and Wednesday  
March 21 and 22  
F. and R. Lazarus Co., for retailing, accounting, home economics, finance, general business, marketing, sales, and business trainees, any major.  
Wednesday March 22  
Owens-Illinois Co., for summer sales, juniors only.  
Pillsbury Co., for sales.  
American Red Cross, for all majors.  
Women's Army Corp., for all women students.  
Vick Chemical Co., for advertising, marketing, liberal arts, research, and summer sales, unmarried students only.  
Wednesday and Thursday  
March 22 and 23  
Ford Motor Co., for accounting, chemistry, economics, statistics, traffic and transportation, marketing, purchasing, sales, research, mathematics, personnel, physics, and production.

Thursday, March 23  
National Carbon Co., for chemistry and physics.  
Central National Bank of Cleveland, for banking and finance.  
Ohio Farmers Insurance Co., for insurance and summer employment, all majors.  
Continental Casualty Co., for actuarial, business trainees, finance (women only), mathematics, office management, production, and statistics.  
Friday, March 24  
Pontiac schools, Mich., for elementary and secondary education.  
State Farm Insurance Co., for elementary education.  
Sherwin-Williams Co., for chemistry, accounting, general business, sales, marketing, personnel, and retailing.  
State Farm Insurance Co., for accounting, actuarial, business trainees, general business, mathematics, and insurance.  
Lake County Board of Education, for art, business education, elementary education, foreign languages, library science, general science, biology, chemistry, physics, and speech and hearing therapy.

## Board Of Trustees

(Continued from page 1)  
growth in enrollment quickly absorbs all increases. He said that 1,000 additional students are anticipated at the University in 1961-62.

Trustees also approved resolutions for the sale of \$4.5 million in bonds to finance construction of a new women's residence center. Construction is expected to start in May at the site along Ridge Street between Thurston Avenue and North College Drive. It is hoped the center will be completed by September, 1962.

The board heard these reports on other construction progress from President McDonald:

—Conversion of the recreation hall area of the old Administration Bldg. for speech laboratory purposes is progressing satisfactorily. These facilities are expected to be available for use next September. The little theatre portion of the laboratory was named by trustees "The Joe E. Brown Theatre." Actor Brown, a native of northwest Ohio, received an honorary degree from the University in 1949.

—Final plans and specifications for the new Administration Bldg. are nearing completion. Advertising for bids is expected to begin late next month. Construction should be completed during 1962-63.

—Major extension of utility tunnels and services is expected to get under way this spring, from behind Shatzel Hall north to Ridge Street.

—Several minor construction projects are in the planning stages and are expected to be under way during the summer. They include installation of a new chemistry lab in Overman Hall classroom space recently vacated by the ROTC, construction of a sun deck on the roof of Treadway Hall, extension of parking facilities north of Overman Hall, and installation of additional electrical equipment to provide for the greatly increased electric service required by the expanding University plant and enrollment.

## Student Body

(Continued from page 1)  
John W. Lucas, a junior in the College of Liberal Arts; Louise E. Haar, a junior in the College of Education; Betty Prechtel, a sophomore in the College of Education; and Larry A. Snyder, a sophomore in the College of Liberal Arts.

Class Representatives  
Candidates for senior representatives are Richard W. Bradley, Tod J. Butler, Mary Jo Isch, Helen E. Moles, Judy L. Perry, Barbara A. Schulz, and Dean L. Shappell.  
Junior representative candidates are Robert A. Dimling, Charles G. Eberly, Dianna L. Kellogg, Patricia A. Lewicki, Dale J. Rothman, Sandra E. Scott, and Thomas J. Short.

Sophomore representative candidates are David M. Chism, Thomas W. Dobmeyer, Barbara A. Hursh, Jacqueline T. Kulas, Marilyn E. Millikin, Gary D. Nixon, and Richard A. Wolff.

Biographical qualifications of candidates for Student Body offices are listed on page 5.

## The Scene

# Need Help Or Advice? Stop! This Column May Be Answer

By Skip Ferderber

Every week, this column tries to bring to the campus the best in commentary, culture, and other sophisticated samples of our decadent civilization. Now The Scene goes all-out, inviting a guest columnist to hold sway over this week's contribution. The Scene presents: Dear Flabby.

Our first letter comes from a grandmother in Pennsylvania suffering from dementia praecox and flat feet. She writes:

Dear Flabby: I am 70 years old and am not unattractive as sweet old ladies go. However, I have a problem. There is a young man of 14 who keeps hanging around me. He says he wants to marry me. He is a sweet boy, even if his hair does occasionally get caught in the zipper of his black leather jacket. I like going out with him, but his motorcycle is slightly uncomfortable. I have already bought him a \$400,000 house, a new motorcycle, and a platinum guitar with Elvis somebody's signature. My problem is: Does he want to marry me for love or does he just have a mother fixation? Signed, Grandma Du Pont.

Dear Old Grandma. What are you, some kind of nut? Can't you recognise true love when it arrives? A \$400,000 house? Hmm.

Another comes from a distraught mother who lives in Osculate, Ontario.

Dear Flabby: I have a teenage daughter who is really sick—in the head. A few days ago, I came into her room and I saw my daughter crouched on the floor like an animal. She looked up at me with tear-stained eyes and said: "Mother, are you sure you can hook bobby sox to your garter belt?" What can I tell her? Signed, Mother Macree.

Dear M.M., You should tell me first what color her sox are and then ask if they clash with her garter belt. You evidently have no eye for fashion.

A final item comes from Bricklayer, California.  
Dear Flabby: I have a problem. I am middle-age man who is slightly bald on top, but still rather attractive to women. I am married, but my wife doesn't dress too well. I like people, but somehow they don't like me. Sometimes I attend meetings of an organization I belong to in New York and I lose my

temper. People somehow don't realize that underneath my bad temper there lies a sweet old man whose only wish is to make friends. What should I do? Signed, Nikita Khrushchev.

Dear Nikky: Do you chew Clor-ets?

## Students Conduct Tests On Hearing

Seven students majoring in speech and hearing therapy are conducting a hearing survey at Ross Junior High School in Fremont.

Accompanied by Dr. Melvin Hyman, director of the speech and hearing clinic, the students are testing the hearing of 400 seventh-grade children.

Dr. Hyman said the purpose of the survey is to provide the students with practical experience in administering therapy tests.

The therapy students participating in the survey are Kathleen A. Myers, Rebekah A. Arnold, Elizabeth A. Krupp, Robert H. Sheldon, Susan I. Hipsher, Jean E. Stuep-nagel and Rita R. Rollins.

## Bright idea with a glowing future

At Gen Tel, research is put to work to advance communications through sight as well as sound. The dial of our compact STARLITE® phone, for example, utilizes an entirely new source of light that marks a milestone in visual communications. Called PANELSCENT® (electroluminescent) lighting, it produces light without heat, has no bulb to turn on and off, and costs less than 1¢ a year for electricity.

Pioneered and developed by the Lighting Products Division of our subsidiary, Sylvania, this dramatic new light opens up almost infinite product possibilities in sight communication. Already it is being used for clock faces, radio dials, auto instrument panels and road signs.

And, through the development of an ingenious "cross-grid" design, electroluminescent panels are now capable of reproducing alpha-numeric "read-outs" for electronic computers. This achievement, in fact, may one day lead to "flat wall" TV.

It is another example of the way General Telephone & Electronics coordinates the scientific and engineering leadership of many divisions in order to make communications progress on all fronts.

# OU Wrests Swimming Crown From Falcons

## On The Sidelines

### Coach 'Speechless' After Win; Swim Meet Brings Excitement

By Bob Hoover

There probably have been happier coaches than Fletcher Gilders in the swimming world but one would have had a hard time proving it Saturday afternoon. Talking to the Ohio University coach, we had the impression he would jump through the roof at any time.

"There wasn't one man on my squad who didn't do just what was expected of him. Our fellows really put out and I'm just overjoyed," the Bobcat coach said.

We had the suspicion that Gilders had expected to win the meet, since he was wearing his swim trunks under his trousers — all ready for the traditional dunking following the victory.

But Bowling Green certainly didn't relinquish its crown without an all-out effort. Falcon Swimming Coach Sam Cooper said, "We did the best we could but lost to a better team. I'm disappointed, certainly, but not ashamed. I think the difference came in diving (Ed. Note — The Bobcats took two firsts and two fourths in the diving events.) plus the fact we had counted on Western Michigan to do a little better than they did, especially in the final race."

The spectators, players, and coaches got a slight scare during the preliminaries of the one-meter diving events when OU's Ryan Patterson hit his arm on the board performing a one-and-a-half somersault. It resulted in a nasty cut and a few fluttering spectators' hearts.

On the whole, the meet was very well run. We especially admired Sandy Wilson, the starter-referee who had the courage to stand by his decision disqualifying one of Western's swimmers during the 200-yard breaststroke. There were

We've never seen such excitement in a swimming meet to equal that just before the final event.

The best field goal percentage mark for one game is held by Jim Darrow. He scored on 22 of 29 shots from the field for a .759 mark against Hillsdale.

But the excitement and noise died down when it became apparent that Ohio U. had pulled through moments of confusion, but the athletic department of Bowling Green can be proud of the way the meet was handled.

The outstanding swimmer of the meet would have to be Miami's Bill Mulliken, who won his three events with what seemed to be effortless ease. The young Olympic star from Champaign, Ill., won a total of nine gold medals during his brilliant conference career.

Coach Gilders had high praise for Howard Comstock, who won two first places for the Falcons: "I'd have to call him the outstanding swimmer on the BG squad — not to take anything away from LaPrise or Reest, but Comstock came through with vital and unexpected first places," Gilders said.

### Banquet Tomorrow To Honor Athletes

One hundred and thirty-seven members of the wrestling, swimming, and basketball teams will be honored tomorrow at the annual winter sports banquet, scheduled to begin at 6 p.m. in the Dogwood Suite of the Union.

Special awards will be presented in wrestling and basketball, and the 18 graduating seniors of the three sports teams will be singled out for honors.

Among the special guests will be the trustees of the University, the coaches, the Athletic Committee, cheerleaders, and members of the working press and radio.

Toastmaster for the event will be James E. Hof, director of alumni activities.

**STRAINING SWIMMER**—Paul Vogel, Falcon co-captain, stretches and strains for the finish line in this shot of Friday's 200-yard individual medley action. He placed third behind Olympian Bill Mulliken and OU's Tod Boyle.

**DOWN TO THE WIRE**—Franz Fauley takes off on the final lap of the 400-yard medley relay, the event BG needed to win to capture their sixth straight Mid-American Conference swimming title. OU's Carl Catt outspun the Falcon veteran, however, to give the Bobcats their first crown since 1954.

### Thurmond Makes All-MAC Five

Bowling Green's titanic center, 6-10 Nate Thurmond, was selected for the first team all-Mid-American Conference basketball team, by the MAC basketball coaches Sunday.

Joining Thurmond on the first team were Bob Bolton of Western Michigan, Dave Zeller of Miami, Pete Baltic of Kent State, and Bunk Adams of Ohio University. Zeller and Baltic were the only unanimous choices. All but Thurmond are seniors.

Thurmond, brilliant in his sophomore season, scored at a better than 18-point-per-game clip and was among the leaders in rebounding in the nation. Zeller was the conference scoring leader with a 22.9 average.

Toledo, shut out on the first team, placed Larry Jones and Jerry Galicki on the second team along with Larry Kruger of the Bobcats, Bob Burgess of Marshall, Harvey Hunt of Kent, and Vern Lawson of Miami. There was a tie for the last position.

Jones also is a sophomore. Hunt, of course, is the football-to-basketball player made good. The 6-6 giant had a very successful season for the Golden Flashes.

Winning honorable mention nods from the coaches were BG's Jimmy Routson, George Patterson of Toledo, Bill Whaley of OU, Sam Key of WM, Tex Williams of Marshall, and LaVern Benson of Miami.

The MAC coaches select men from the other teams only, thus eliminating any possible prejudice.

### Medley Relay Victory Gives Bobcats 3rd Conference Championship, 113-111

By Bob Heckman

Leading until the final lap of the final event, the 400-yard medley relay, Bowling Green saw Ohio University's Carl Catt sprint in the last 50 yards to give OU the relay victory, and with the victory, the Mid-American Conference swimming championship 113-111, in the meet last week end in the Natatorium.

The Bobcat victory broke the Falcons' five-year domination of conference swimming and was OU's third athletic championship this year.

The meet was close throughout, with Bowling Green never holding more than a 10-point lead. Going into the final race, OU was trailing BG by two points, 101-99. Catt's fine freestyle leg enabled the Bobcats to take the event in the record-breaking time of 3:58. Bowling Green was second in 3:59.7, a time better than the old pool record.

#### 7 MAC Marks Snapped

During the course of the meet seven MAC records were broken. Bill Mulliken, the Miami Olympic champion, won three events, setting two records, in the 200-yard individual medley and the 200-yard breaststroke. He also won the 440-yard freestyle.

Tom Boyce of Ohio U. won both the 100- and 200-yard butterfly events and set records for the MAC in both. Bowling Green's Gary LaPrise won the swimming sprints—the 50, 100, and 220-yard freestyle events, setting a MAC record in the 220. The Bowling Green 400-yard freestyle relay team of Hal Henning, Ron Cochrell, Franz Fauley, and Barry Walsh set an MAC record. The meet-winning 400-yard medley relay team from Ohio U., composed of Tom Marazzi, Ed Cooper, Tom Atkin, and Carl Catt, established the last new MAC mark.

#### Depth Key To Triumph

Bowling Green won six of 16 events and Ohio U. took five. However, the Bobcats won the meet by placing 20 individuals in 14 events and finishing first or second in the relays. This total of 22 was two more than the Falcons were able to place.

The Falcons had finished the regular dual-meet season with a 12-2 record, which included winning their last 11 in a row before the championships. This mark included a 54-41 decision over Ohio U. in the Bobcats' home pool.

#### Olympian Takes 3

Mulliken again was brilliant as he, for the third straight year, won three events. He now holds MAC records in four different events. LaPrise, the Falcon all-American, indicated by his performances in his freestyle specialties that he is ready to take up where he left off in the National Collegiate Athletic Association meet coming up at the end of the month.

One of the pleasant surprises in the Falcons' defeat was the swimming of Howard Comstock, sophomore backstroke. He turned in victories in the 100- and 200-

yard backstroke events that Coach Cooper had not counted on before the meet.

Western Michigan was the only team other than Bowling Green, Ohio U., and Miami to take a first place. In the 1,500-meter freestyle event, the Broncos' Fred Lawrenz set a pool record, and Tom Rudder of WM came home on top in the 100-yard breaststroke.

Scoring for Bowling Green in addition to the winners of individual events were Henry Reest with seconds in the 1,500-meter, 220-yard, and the 440-yard freestyles; Paul Vogel with a third in the 200-yard individual medley and a fourth in the 200-yard breaststroke; Barry Walsh with a second in the 50-yard and a third in the 100-yard freestyles; Hal Henning with a third in the 200-yard freestyle and a fifth in the 100-yard freestyle; Ralph Weibel with a third in the one-meter diving and a fifth in the three-meter diving; Ron Cochrell with a third in the 100-yard butterfly; and Franz Fauley a fourth in the 100-yard freestyle. Also scoring points were the members of the 400-yard medley relay team, which came in second. They were Vogel, Cochrell, Comstock, and Fauley.

## HAVE A REAL CIGARETTE—CAMEL

ON THE DECK OF THE U. S. NAVY BATHYSCAPH "TRIESTE"

B. J. Reynolds Tobacco Company, Winston-Salem, N. C.

SCIENTIFIC DIRECTOR Dr. Reznitzer and the U. S. Navy bathyscaph "Trieste" found out how deep the ocean is: 7 history-making miles.

Dr. Reznitzer is a Camel smoker. He says, "I smoke Camels for one reason: taste... rich, satisfying taste I enjoy every time I light up."

**The best tobacco makes the best smoke!**

"IT'S ALL OVER"—Ralph Rogers, lower left, and Frank DeNatale clean their faces after the pie eating contest sponsored by Pi Kappa Alpha Friday evening. Hunter Haynes, Phi Kappa Tau, established a new record in the men's division, and Gloria Shelley, Chi Omega, won the women's division.

## Chi O, Phi Tau Win Cherry Pie Gobbling

Everything from the "burning of the Constitution" to the eating of cherry pies was accomplished at the Pi Kappa Alpha pie eating contest Friday in the Men's Gym.

Hunter H. Haynes "usurped" the cherry pie for Phi Kappa Tau to win the men's division, and Gloria J. Shelley, eating for Chi Omega, won in the women's division of the contest.

Once again, "new records" were set in both divisions, according to PiKA officials. But once again, no one bothered to record the times. If this continues, it will soon take a time of approximately one second to set a new record.

The competition's the thing, though, and the contest will never lose its appeal as long as no more George Washingtons come along to chop down the cherry trees.

Kappa Delta and Phi Kappa Psi ran off with the skit contest. However, Zeta Beta Tau was the crowd's favorite as they presented a skit on "Where the Boys Are," and "The Burning of the Constitution."

In the winning skit, activities at "Dartvard U., Fort Lauderdale U., and North Harvard U." were compared with activities at Bowling Green—with the emphasis on

"mug drinking and tea drinking." Except, of course, for the night of the PiKA Pie Eating Contest, the huge chugging contest held at the "University of Way Southern California" paralleled the pie-eating at Bowling Green.

Chi Omega and Beta Gamma were second in the skit contest, and Gamma Phi Beta and Theta Chi were third.

The contest put the finishing touches on the annual Pi Kappa Alpha Pi Week for another year.

### 'Magnificent Seven' Is Next Fine Film Here

"The Magnificent Seven," seventh in a series of fine films, will be presented in 105 Hanna Hall Friday and Saturday.

The times for the showing of the Japanese film will be 7 and 9 p.m. Friday and 7 p.m. Saturday.

### UAO Dancing Lessons To Begin March 20

Dancing lessons sponsored by the Social Interest Committee of the Union will begin March 20 in the ballroom.

The six-week series will be taught by the DuChane Dance Studio. The price is \$12 each or \$18 a couple.

Interested students should contact Carol M. Szunyogh, chairman of the committee.

### Cobus Hour

## What Is Relationship Of Ethics To Politicians And Businessmen?

Can man legislate ethics into government and business principles?

Dr. Gilbert Abcarian, assistant professor of political science, discussed the conflict of interest in "Politics, Business, and Ethics" at Cobus Hour March 8.

"Ethics has to do with the motivation and behavior of people," stated Dr. Abcarian. "Business as such is neither ethical nor unethical, unless it is specifically related to individuals in situations with consequences."

"All humans are motivated by self-interest. While we all act in self-interest, we also tend to justify such acts as being ethically proper. Thus, when such acts come into conflict among individuals, we find either a conflict between different ethical principles, or a conflict over proper application of such principles."

Dr. Abcarian said that because institutions—such as business—which administer ethics also possess power, the dilemma of how to reconcile, or adjust, arises. Businessmen must guard against identifying economic interests with the public interest, and the public interest with ethical principles.

Referring to politics, Dr. Abcarian stated, "Ethics concern the ideal, politics the real. The problem then is how to apply abstract ethical principles to concrete poli-

tical reality. There is always a gap between the two, though few agree on how big the gap is."

Dr. Abcarian added that ethics, in the sense of socialized codes of conduct, are usually administered by such institutions as family, church, and state. This approach to ethics—in terms of outward conduct—is only a part of what the Greeks meant by ethics: being true to one's inner self.

"Power—whether of business, labor, or any other significant group—must guard against the tendency to substitute itself for ethics. For, in the end, if power and ethics cannot be absolutely separated or distinguished, we must realize that 'freedom' is a higher value than 'ethics' itself."

Dr. Charles D. Ameringer, instructor in history, will pursue the topic of ethics at Cobus Hour tomorrow with his presentation of "Business Ethics in International Affairs," at 3:30 p.m. in the Pink Dogwood Room of the Union.

## TU Professor Speaks At Meeting

Dr. Raymond H. Muessig, assistant professor of curriculum and teaching at the University of Toledo, spoke on "Singing Your Way Through Classroom Discipline" on March 8 in the Union.

Dr. Muessig was the featured speaker for the combined meeting of Kappa Delta Pi, Ohio Student Education Association, and the Association for Childhood Education.

In speaking about classroom discipline, Dr. Muessig used popular song titles to show some basic concepts. He said every teacher has discipline problems and he applied the song title "Into Each Life

Some Rain Must Fall," to illustrate this.

Throughout his talk Dr. Muessig stressed that a teacher should talk to his students and listen to their reasons instead of punishing first and asking questions later. He added that a teacher should have a sense of humor and be able to laugh at his own mistakes.

Kappa Delta Pi is the national honor society in education, OSEA is an education organization open to all students who are preparing to teach, and ACE is an organization open to all majors in education.

## Pins To Pans

Going . . .

Karen Terry, Alpha Chi Omega, pinned to Frank Kitchel, Sigma Chi; Charlotte Anderson, Treadway, to Jim Lees, Delta Kappa Epsilon; Kenyon College; Sandy Herr, Gamma Phi Beta, to Ray White, Lambda Chi Alpha, Miami University; June Jaroch, Gamma Phi, to Don Bellissimo, Phi Delta Theta; Judy Snodgrass, Gamma Phi, to

Harry DeNardi, Sigma Nu; and Barbara Schlosser, Phi Mu, to Bob Cress, U.S. Marines.

Julia Burns, Harmon, to Jim Kirshbalm, Delta Tau Delta; Lois Simon, Alpha Phi, to Harold Bates Jr., Beta Gamma; and Sandra Cleckner, Alpha Gamma Delta, to George Oetgen, Delta Upsilon.

Going . . .

Gone

Joan Gilbert, Phi Mu, married to Bill Parks, TKE alumna.

### Jewish Congregation Elects New Officers

The Jewish Congregation elected officers for next year at its meeting March 8. Stanley D. Rothbardt was elected president and Mark L. Raisman was elected to the new office of spiritual leader.

The spiritual leader will conduct services. The president previously handled this duty.

## 'Showboat' Tickets On Sale Thursday

Attention all students—if you plan to attend the University Theatre's production of "Showboat" on either March 22, 23, 24, or 25, you had better get your tickets early!

Dr. F. Lee Miesle, associate professor of speech, has announced that an extremely heavy attendance is expected.

In past years many students waited until the last minute to secure tickets for a major production, and then they were disappointed when there were none available.

Tickets for "Showboat" will go on sale Thursday at the ticket window on the second floor of the Administration Bldg., from 10 a.m. to noon, and from 2 to 4 p.m.

The same schedule will be followed for succeeding week days. If there are any tickets left, they will be put on sale at the box office the nights of the performance.

Dr. Miesle also pointed out that no reservations will be held after 8 p.m. on the nights of the performances.

Prices are: adults, \$1.25, school children, 50 cents, and University students, five cents with ID cards.

Miss Pozar will now be entered in the "10 Best-Dressed College Girls in America Contest" sponsored by Glamour magazine. Miss Scherry was mistress of ceremonies.

### Books And Coffee

## Herman Reads From Dinesen, Selection Is Called 'Symbolic'

By Nancy Iden

Reading expressively from Isak Dinesen's "Seven Gothic Tales," Dr. George Herman presented a tale called "The Monkey" for discussion at Thursday afternoon's meeting of Books and Coffee. Dr. Herman is an associate professor of speech.

The tale contained a comparison of the sea and woman, an eerie conversation suggesting that "human relations would be much easier if carried on in the bones," and the strange metamorphosis of a monkey into a human being and back again.

Although the first comment about the tale was, "I do not un-

derstand it," several others suggested that it might make a good movie, that there was symbolism beneath the fantastic story, and that Dinesen's wit and love of paradox and amusement were apparent.

Isak Dinesen is a Danish baroness from Africa, who has written little but well. Time magazine speaks of her writing life as "routing the brute realities of the twentieth century from her prose. She is Denmark's finest living writer and one of the world's best."

The playwright Eugene Ionesco will be the topic for discussion at the meeting of Books and Coffee at 3:30 p.m. Thursday, in the Union.

## - Dorm News -

Lowry Hall

Women with 3.0 or higher semester grade averages were honored at Lowry Hall's scholarship banquet, March 9 in the east dining hall of Founders' Quadrangle.

Dr. Virginia B. Platt, professor of history, spoke on scholarship.

Other honored guests were Dr. and Mrs. Kenneth H. McFall, Prof. and Mrs. Jesse J. Currier, Mr. and Mrs. Ervin Brown, Prof. H. Glendon Steele, Dr. and Mrs. Elden T. Smith, Dr. and Mrs. John E. Gee, Dr. and Mrs. William E. Harrington, Dean and Mrs. William F. Schmeltz, and Dr. and Mrs. John R. Davidson.

The residents of Lowry second

floor were awarded a rotating plaque for having the highest floor grade average.

Men's Residence Center

E. Douglas Hinkle has been elected president of North Bldg., Men's Residence Center. He also will serve the dormitory as chairman of special events.

Herman Kobay, head resident, announced that Joseph P. Rizzo is social chairman; Karl A. Anderson, athletic chairman; and George E. Hancy, food service committee chairman.

Barry R. Brandt is chairman of the executive committee, formed to help make rules for the new dormitory.

The following is a condensation of House Bill 1266, which is now before the U.S. House of Representatives. The condensation was written by Congressman Delbert Latta (R., Ohio).

H. R. 1266 creates a Federal Agency for the Handicapped headed by an Administrator of Services for the Handicapped appointed by the President with the advice and consent of the Senate. Establishes an 18-member Advisory Council on Affairs of the Handicapped to effectuate a more economical and efficient method of activities relating to the Handicapped and to develop new programs for them. Authorizes Federal funds for establishing and maintaining work projects cooperative enterprises for physically or mentally handicapped persons. Provides for Federal payments to States who have approved plans for rehabilitation centers.

I urge you to support this bill by writing to Congressman Latta, to Ohio Senators Frank Lausche and Stephen Young, or to your own Representatives or Senators.

—John Beach

# Student Body, Class Officer Candidates' Qualifications Listed

Following are qualifications of the candidates running for Student Body offices.

## Student Body President

**CLARK D. TIBBITS** is a junior in the College of Education, and is maintaining a 3.8 grade average. He is vice president of Sigma Chi social fraternity and chairman of the Student Leadership and Service Board. He is a member of Omicron Delta Kappa, men's leadership society; Phi Eta Sigma, freshman honorary society; Book and Motor, scholarship society; and the Student Cabinet.

Tibbits is running on a platform which embodies the hope of promoting the name of Bowling Green throughout the U.S. so that a diploma from the University will be well thought of in all areas of the United States.

**GREGORY L. GILMORE**, a junior political science major in the College of Liberal Arts, has a 3.7 grade average. He is a member of Beta Gamma social fraternity and Book and Motor. He has served as a director-at-large of the Union Activities Organization and was a high-school class officer for four years.

If elected president of the student body, he will try to better the relationship between the student government and the students. He also hopes to promote scholastic achievement.

**JOE McNAMARA** is a junior marketing major in the College of Business. He is maintaining a 3.2 average. He is a member of Pi Kappa Alpha social fraternity, Omicron Delta Kappa, UAO, Student Cabinet, and Council of Student Affairs. He is treasurer of the Student Body, and was chosen the outstanding ROTC man as a freshman. In his sophomore year he served as representative to Student Council.

McNamara hopes to inaugurate a "Campaign Night" if he is elected. At this time candidates for student offices could meet the students. He also would work on a system to improve communications between the Student Council and the student body.

**DAVID S. CROOKS** is a junior pre-law and history major in the College of Liberal Arts. He is a member of Alpha Tau Omega social fraternity, Phi Alpha Theta, history honor society; and the UAO. He is chairman of the hobby committee of the UAO. Crooks is a transfer student

from General Motors Institute in Flint, Mich.

If elected, he hopes to expand the progressive activities of Student Council and enlarge its functions. In addition, he wants to create a closer relationship between the student body and Student Council.

## Student Body Secretary

**BARBARA L. DOWNEY** is a member of Alpha Phi social sorority and a second semester junior. She is an assistant instructor in mathematics and a past dormitory counselor. Presently she is a UAO director-at-large and a member of Kappa Delta Pi, education honor society.

**WANDA J. HORLOCKER** is the French Club secretary, vice president of the Prout house board, and UAO recruitment and training committee chairman.

## Student Body Treasurer

**DAVID L. CAYTON.**

**J. DAVID HUNGER** is a member of Kappa Sigma social fraternity, and president of the sophomore class. He is a member of Student Council and a member of Pi Kappa Delta, forensics honorary.

**DONALD R. TREADWAY** is vice president of the Kohl Hall Residence Council and a member of Phi Kappa Psi social fraternity, Phi Eta Sigma, and Alpha Epsilon Delta, pre-medical honor society.

## Senior Representative

**RICHARD W. BRADLEY** is a member of Phi Delta Theta social fraternity, and an Interfraternity Council representative. He is also a member of the debate team and the IFC social committee. Presently he is a junior representative of Student Council and a member of the IFC judicial board.

**TOD J. BUTLER** is a member of Sigma Phi Epsilon social fraternity. He was tapped this year for Omicron Delta Kappa and is a member of Phi Eta Sigma and Book and Motor. He is active in Student Council as a junior representative and is a justice of Student Court.

**MARY JO ISCH** is a member of Delta Gamma social sorority and Kappa Delta Pi. She is chairman of the Spirit and Traditions Board and a member of Student Cabinet.

**HELEN E. MOLES** is a member of Gamma Phi Beta social sorority Kappa Delta Pi, and the UAO. She also is a Student Court justice.

**JUDY L. PERRY** is a member of Alpha Xi Delta social sorority and Book and Motor. She is vice president of the junior class and

has been a cheerleader for three years.

**BARBARA A. SCHULZ** is the recording secretary for the Association of Women Students and a member of Chi Omega social sorority. She is also Pershing Rifles sponsor.

**DEAN L. SHAPPELL** is a member of Kappa Sigma social fraternity, the Student Elections Board, Sigma Gamma Epsilon, men's geology honor society, and the UAO bowling committee.

## Junior Representative

**ROBERT A. DIMLING** is a member of Sigma Chi social fraternity and an IFC representative. He was co-chairman of the Greek Week dance, and a student orientation leader.

**CHARLES G. EBERLY** is a member of Phi Eta Sigma, Alpha Phi Omega, men's service fraternity; and Chemical Journal Club. He also is in the A Cappella Choir.

**DIANNA L. KELLOGG** is a member of Alpha Chi Omega social sorority and PEM Club. She is a counselor in Shatzel Hall.

**PATRICIA A. LEWICKI** is a member of Alpha Xi Delta social sorority and PEM Club. She is also a sophomore representative to Student Council.

**DALE J. ROTHMAN** is a member of Phi Eta Sigma, the University Chorus, and the UAO. He is a student orientation leader.

**SANDRA E. SCOTT** is a member of Chi Omega social sorority, PEM Club, and the UAO house service. She also is a sophomore representative to Student Council.

**THOMAS J. SHORT** is a member of Alpha Tau Omega social fraternity and the representative to the IFC. He was chairman of the IFC Sing and vice president of the class of 1963.

## Sophomore Representative

**DAVID M. CHISM** is a pledge of Alpha Tau Omega social fraternity and president of the freshman class.

**THOMAS W. DOBMEYER** is a pledge of Alpha Tau Omega social fraternity and was a freshman delegate to the Omicron Delta Kappa leadership conference.

**BARBARA A. HURSH** is president of the Chi Omega social sorority pledge class, and president of Harmon Hall. She is also a member of the AWS Judicial and Legislative Board.

**JACQUELINE T. KULAS** is a pledge of Delta Gamma social sorority, and a member of Swan Club.

**MARILYN E. MILLIKIN** is a member of the University Symphonic Orchestra and on the President's Honors List.

**GARY D. NIXON** is a speech major, and was a delegate at the ODK Leadership Conference.

**RICHARD A. WOLFF** is a mathematics major, and a member of Pershing Rifles.

## 3 Faculty Members Show Art Works

Three members of the University's art department faculty recently have displayed exhibits in Ohio art shows.

**John M. Zeilman**, instructor in art, displayed his work in three exhibits during February. He entered his sculpture work in the faculty exhibit work classification at the Butler Museum of American Art in Youngstown, and participated in the opening show of the Wassenberg Art Center in Van Wert. Mr. Zeilman also was invited to display his works in a one-man show at Findlay College as part of the dedication ceremonies at the new student union there.

**Charles J. Lakofsky**, associate professor of art, exhibited works in the ceramics division of the faculty work classification at the Butler Museum. Prof. Lakofsky and Dr. Paul D. Running, assistant professor of art, displayed works at the Wassenberg exhibit. Prof. Lakofsky displayed pottery samples and Dr. Running a series of his recent oil paintings.

## Women Phys Ed Club Selects Officer Slate

Elections have been held by the women's Physical Education Majors and Minors Club.

The new officers are **Donna V. Jaco**, president; **Jo A. Meadows**, vice president; **Jill A. Black**, secretary; and **Elizabeth Bacco**, treasurer.

The women will be installed at 9 p.m. Thursday.

## Sig Eps' Efforts Earn \$250 For Heart Fund

Sigma Phi Epsilon social fraternity collected \$250 Feb. 25 for the Wood County Heart Association.

Active members and pledges collected the money in a door-to-door collection campaign in Bowling Green.

"REACHING FOR SPACE" will be the theme of the Air Force ROTC display in the ballroom Thursday and Friday. The exhibit, built around man's age-old desire to conquer space, graphically illustrates many of the high-

lights in the progression of aviation developments from the days of Daidalos in Greek mythology to our present-day space pioneers. Actual "hardware" from each period covered is displayed in glass domes in front of the exhibit.

## Fraternity Pledges Elect New Officers

The Sigma Alpha Epsilon spring pledge class has elected officers. They are **Edward F. Puchalla**, president; **Robert J. Wyant**, vice president; **Clyde A. Schroeder**, secretary; **Thomas W. Brinkman**, treasurer; **Ronald L. Mahan**, chaplain; **Michael Vaughn**, warden; **Roger A. Sherman** and **William T. Caughlin**, social; **Martin J. Brown**, publicity; **George D. Clawson**, intramurals; **Ralph J. Hein**, scholastic; **Gary G. Mulder**, song leader; and **James H. Oviatt**, co-ordinator.

The pledge class of Zeta Beta Tau elected **James Richardson**, president; **Aaron Scheetman**, vice president and treasurer; **William M. Rosenthal**, secretary; **Mark L. Ralsman**, social chairman; and **Robert L. Reynolds**, stunt chairman.

When we need little bits of copy, we fill up spaces with interesting little bits of copy like this. Isn't this interesting?

## Verduin Visits Area High Schools

Staff members of the biology department are visiting area high schools this semester, giving speeches, demonstrations, and assistance in the study of biology. The work is part of the Visiting Scientists Program presented by the Ohio Academy of Science.

Purpose of the program is to stimulate science interest in the public, private, and parochial schools of Ohio. This is done by making professional scientists available to high schools, at no cost.

**Dr. Jacob Verduin**, chairman of the biology department, recently visited Pandora-Gilboa High School, providing guidance and counseling in the dissemination of accurate, up-to-date, scientific knowledge. He plans to visit Montpelier High School tomorrow and Westwood High School Wednesday, March 22.

Only professional scientists and educators of recognized compe-

tence are selected for this program. They are selected on the basis of the excellence of the contribution they can make, and their willingness to participate in the program, as well as the readiness of their home institution to cooperate in the program. Visiting scientists are chosen by the program steering committee, composed of members of the Ohio Academy of Science.

## UAO Sponsors Series On 'Gracious Living'

"Interior Decorating," the first of a series on "Patterns in Gracious Living," will be presented at 7 p.m. today in the Pink Dogwood Suite of the Union by Mrs. Farrar Cobb, Union hostess.

The series is sponsored by the social interest committee of the Union Activities Organization.

## Campus Kaleidoscope

**Faculty Dames**, an organization for wives of the University faculty—Will meet at 8 p.m. today in the Alumni Room of the Union. The program will be presented by the Newcomers Club, the wives of faculty members who are in their first or second year of teaching at the University.

**Chemical Journal Club**—Will meet at 7:15 p.m. tomorrow in 140 Overman Hall. Three senior chemistry majors, **Cletus N. Welch**, **Edward B. Stafford**, and **Terry L. Kruger** will present laboratory research papers. The three seniors will represent the University at the twelfth annual Chemistry Meeting-In-Minute at Wooster College, Saturday, March 17. The meeting is a seminar for Ohio college chemistry students, based primarily on the presentation of their research papers.

**Faculty Dames Afternoon Bridge Club**—Will meet at 1:30 p.m. today in the Perry-Crocan Room of the Union.

**Phi Beta Lambda**, business education club—Will meet at 6:30 p.m. Thursday in the Harrison-Wayne Room of the Union. Dr. Ralph G. Harshman, professor of business administration, will show slides of his trip to Hong Kong.

**Sigma Alpha Eta**, professional speech and hearing therapy society—Will feature Dr. Sheila Morrison, director of Ohio State University's speech and hearing clinic, as the guest speaker for its meeting at 7 p.m. tomorrow, in 105 South Hall. Dr. Morrison will speak on "Group Therapy."

## 'No Exit' Try-Outs Will Start Tomorrow

Try-outs for "No Exit," one of the most famous plays of the contemporary French theater, will be held at 7 p.m. March 15 and 16, in 115 South Hall. Cast requirements call for two men and two women.

**Robert W. Tolan**, graduate assistant in speech, will direct the play.

Experimental in nature, "No Exit" deals with a trio of unsavory characters who are preparing to spend eternity torturing each other.

**Matinee Hour**—Will meet at 3:30 p.m. tonight in the Ohio Suite of the Union. Panelists **Alice M. Johnston**, **Wendy L. Blakeley**, and **Dr. Stanley Kahan**, instructor in speech, will discuss recorded excerpts from two plays, "Private Lives" and "Tonight at 8:30."

**American Studies Majors**—Will meet in the home of Dr. Alma J. Payne, 225 E. Merry, at 7:30 p.m. Friday, March 17. Dr. Virginia B. Platt, professor of history, will lead a discussion of the impact of the Irish upon American culture.

**Psychology Department**—Will meet at 7:30 p.m. tomorrow in 105 South Hall. Dr. John R. Schuck, instructor in psychology, will discuss "Men, Monkeys and Automation." The meeting is open to all psychology majors and minors and other interested students.

## Casting Complete For One-Act Plays

Casting for the University Theatre's second bill of one-act plays has been completed. They will be presented at 7:30 p.m. Friday in Gate Theatre.

In the first play, "Four On A Heath," a supernatural theme will be used. It deals with several highwaymen who have been executed on the gallows.

The cast includes **Joel A. Lieber**, **Dallas F. Horvath**, **Jalan L. Aufderheide**, and **William G. Wotschak**.

Second play on the bill is, "The Case of The Crushed Petunia." The play is a light comedy. **Mary L. Sterling**, **Karen R. Snyder**, **Thomas L. Neuman**, and **Robert E. Guerin** make up the cast.

A light-hearted drawing-room comedy entitled, "Angels Don't Marry," will be the evening's third presentation.

The cast is composed of **Fred F. Skelton**, **Carol L. Lake**, **Christine L. Berlin**, and **Robert C. Dowdall**. The final production is, "Eugenically Speaking." It centers on a wealthy socialite who decides that she would be the perfect mate for a laboring man.

Included in the cast are **Celeste M. Ramey**, **David W. Ralston**, **R. Douglas Lindamood**, and **Marian Miles**.

# Do all Air Force Officers have Wings?

Decidedly not. In fact most executive jobs are on the ground. Of course, all officers may apply for pilot and navigator training if they meet the eligibility requirements. There will always be a need for piloted aircraft. And it is foreseeable that in your working lifetime, there will be piloted spacecraft—piloted and navigated by Air Force officers.

But right now, there is also a big future for college-trained Air Force officers on the ground. New and exciting technical jobs are opening up. Important administrative positions must be filled as World War II officers move into retirement.

**How can you—a college student—become an Air Force officer?** First, there's Air Force ROTC. Then for college graduates, men and women in certain fields, there is Officer Training School. The graduate of its three-month course wins a commission as a second lieutenant. Other ways are the Navigator Training program, and the Air Force Academy.

**Some benefits that go with being an Air Force officer.** Starting salary plus allowances compare with the average in equivalent civilian jobs. Then there's free medical and dental care, thirty-day vacation, the chance to win graduate degrees at Air Force expense, and liberal retirement provisions.

No, Air Force officers do not need wings to move up. There's plenty doing on the ground. Perhaps you could be one of these young executives in blue. Ask your local Air Force Recruiter. Or write, **Officer Career Information, Dept. SC13, Box 7608, Washington 4, D.C.**, if you want further information about the navigator training or Officer Training School programs.

## U.S. Air Force

There's a place for professional achievement on the Aerospace Team

## Sophomore Men Get OK To Live Off-Campus Beginning Next Fall

Dr. Elden T. Smith, dean of students, has announced that approved off-campus housing will be available for sophomore men beginning next semester.

Previously, only junior and senior men were permitted to live off campus, but the increased demand for admission to the University is taxing residence halls to capacity.

All undergraduate women and all freshmen men, except those living at home, will continue to live in University residence halls.

To help meet the housing need, construction of a new 1,220-bed women's residence center will begin in May, and architects are working on plans for another men's residence center.

Kohl Hall, which now houses sophomore men, will be used by women students in September.

The opening of eight new fraternity units in the 700-bed Men's Residence Center now being completed undoubtedly will free some of the approved rooms in the Bowling Green community, Dr. Smith said. It is hoped that more rooms in the Bowling Green area will be available as the citizens respond to the opportunity to provide housing for students, he continued.

Anyone wishing to inquire about the procedure for obtaining approval of student rooms should call James C. Grimm, director of residence services, at extension 543.

No more than \$25 may be spent for the campaign of any candidate for University elections. The Elections Board may, if it deems necessary, make a candidate account for his expenditures.

## Placement Office Tips On Interview Etiquette Given For Seniors

Seniors participating in the University's placement program are advised by James L. Galloway, placement officer, to use the following interview procedure:

1. Register at the placement office, 315B Administration Bldg., on Monday of the week preceding the interview.
2. Pick up company and school literature and read it before the interview.
3. Dress appropriately.
4. Pick up a copy of interview techniques in the placement office.

Students are welcome to take as many interviews as they wish. The more they take, the more opportunities there are available to them, Mr. Galloway said.

If students desire counseling on job interviews, they should contact the placement officer.

Interview schedules are posted each week in the placement office, on the campus bulletin boards, and in the B-G News.

Credentials must be on file in the placement office prior to interviews.

Students should keep the placement office informed of their status at the University.

KITE KAPERS—Mel Ball's orchestra provided music for an all-campus dance Saturday night in the ballroom. Kites were used as decorations, in keeping with the theme, "Kite Kapers."

## In The Realm Of Professors

Dr. Donald S. Longworth

Dr. Donald S. Longworth, chairman of the sociology department, spoke to 4-H Club advisers at a banquet at the high school in New Knoxville March 8. "The Right Person For You" was the topic of his speech.

Dr. Longworth will speak to the business education students on the topic "The Third Dimension of a Job," at 11 a.m. Tuesday, March 21, in the Dogwood Suite of the Union.

Dr. Bevars D. Mabry

Dr. Bevars D. Mabry, assistant professor of economics, appraised the significance of the Landrum-Griffin Act in an address to the

Seneca County Managers Association in Tiffin, Feb. 20.

Dr. Mabry said the primary purpose of the address was to discuss the effects of this act on employers throughout industry. "But not until the act has been contested in the United States Supreme Court can its true significance be appraised," said Dr. Mabry.

Prof. Jesse J. Currier

Prof. Jesse J. Currier, journalism department chairman, served as one of the judges for the Wyoming Press Association newspaper contest recently. Duplicate copies of newspapers entered were mailed to Prof. Currier and the other judges. After reaching a decision each judge returned the papers to the press association.

Dr. Frederic J. Masback

"Conrad's Jonahs," an article by Dr. Frederic J. Masback, instructor in English, was published in the Feb. 1 issue of College English.

The article considers Conrad's various reworkings of Jonah thrown to the sea by his shipmates as illustrating Conrad's deep concern with the solidarity of mankind.

Dr. John R. Davidson

Dr. John R. Davidson, assistant to the dean of the College of Business Administration, recently attended a workshop convention in Chicago. The theme was, "How to Make Cooperative Advertising a Cooperative Marketing Force." The meeting attracted various manufacturers and media representatives.

Dr. Richard C. Carpenter

An article entitled, "Thomas Hardy and the Old Masters," by Dr. Richard C. Carpenter, associate professor of English, has been published in a Boston University publication, Studies in English. The article is an analysis of how Thomas Hardy, a late-nineteenth century English novelist, employed the techniques of the Dutch realist painters in his writing.

Dr. Benjamin Rosenberg

Dr. Benjamin Rosenberg, associate professor of psychology, and James Lauber, graduate student in psychology, have published a report of an experiment showing that college students may improve their scores on some psychological tests when motivated by awareness of previous failure to perform well. It appeared in the Journal of General Psychology.

Dr. Robert D. Henderson

Dr. Robert D. Henderson, chairman of the department of business administration, recently addressed members of the Lima Area Purchasing Agents Association, in Lima.

Dr. Henderson has been asked to serve on a committee on Regional Divisions of the Academy of Management. The academy is a group composed of men in both the business and academic areas of management.

Dr. Jacob Cohen

Dr. Harmon R. Voskuil

Dr. Leland S. Van Scoyoc

Members of the staff of the economics department recently attended a meeting of the Association of Reserve City Bankers in Cleveland. Dr. Jacob Cohen and Dr. Harmon R. Voskuil, associate professors of economics, and Dr. Leland S. Van Scoyoc, chairman of the economics department, attended.

Dr. Werner G. Frank

Dr. Werner G. Frank, assistant professor of accounting, attended a meeting of the Research Review Commission of the American Accounting Association in Chicago recently. The commission includes professors from North Carolina, New York, Colorado, Illinois, and Ohio.

## Vincent Price Interprets Letters Of Van Gogh Thursday Night

"Dear Theo," interpretations of the letters of Vincent Van Gogh to his brother Theo, will be presented by Vincent Price at 8:15 p.m. Thursday in the ballroom.

Mr. Price is well known to motion picture and stage audiences as an actor who can play both romantic and sinister roles equally well. "Dear Theo" demonstrates his ability in platform presentations.

"I Like What I Know," Mr.

Price's newest book about art, will be on sale in the University bookstore the day of his appearance on campus. At 3:30 p.m. he will be in the bookstore to talk with students and faculty members and to sign autographs.

Mr. Price, a Yale University graduate who majored in art, has traveled widely. After he was graduated from Yale in 1933, he studied fine art at London University. While working for a master's degree there, he spent a great deal of time in the archives of the British Museum.

In London, he also went to the theater often to satisfy another artistic interest—the stage. One day, he accepted the dare of an English actor and auditioned for a role in the play "Chicago." He got the part.

After the first night's performance all thoughts of becoming an art professor vanished and he studied acting with the same concentration that he had spent earlier on academic subjects.

In December, 1935, Mr. Price made his American debut in the play "Victoria Regina," the same play in which he recently had scored a personal triumph on the London stage. He became a Broadway star overnight.

Films in which Mr. Price has appeared during his long career in Hollywood include: "The Ten Commandments," "House on Haunted Hill," "Circus," and "The Tangles." He also has made television appearances on the Alcoa Hour, Playhouse 90, and Lux Video Theatre.

Although he does not sketch or paint, Mr. Price has gained recognition as a major art collector and critic. He is a patron of sev-

eral contemporary American artists.

Mr. Price's own preference in acting, he admits, is for comedy. "Still," he has said, "I'd never turn down a villain role. They're the most fun in the world to play."

Tickets for Mr. Price's presentation went on sale yesterday at the information desk in the Union. Student tickets are 25 cents; general reserved, \$1; and reserved, \$1.75.

## Rev. Sanders Speaks To UCF Thursday

The Rev. Robert Sanders, assistant to the president of Princeton Theological Seminary, will speak on "Trends in Theology and Theological Education," at 2:30 p.m. Thursday at the UCF House.

Prior to his speech, the Rev. Mr. Sanders will schedule interviews with students interested in theological education, from 9 a.m. to noon and 1 to 2:15 p.m. Students interested may sign up for interviews at the UCF House.

The annual UCF spring retreat is scheduled for Friday through Saturday, April 7 through 9, at the Yokefellow House in Defiance.

The theme of the retreat, "The Chains That Bind Us," will center upon Biblical understanding of the Christian faith. Dr. Joseph Elmore, professor of religion at Earlham College, Richmond, Ind., will be guest speaker.

The three-day week end will cost \$4.75 for room and board. The group will leave for Defiance at 6 p.m. April 7, and return by noon April 9.

For additional information students should go to the UCF House.

## Class Spends Speechless 2 Hours

By Pat Detweiler

Frustrating silence, embarrassing stillness, and curious, pitiable solitude—these were the elements found in the speechless world entered by 30 students of Speech 325 as they underwent a class experiment in nonvocalization last semester.

During the two-hour experiment, the students, under the auspices of Dr. Melvin Hyman, assistant professor of speech, made social contacts, such as buying goods at a store, without the use of verbal communication. They were permitted to communicate only by pad and pencil or gestures.

The objective of the experiment was for the students to gain a better understanding of the feelings, attitudes, and hardships of those made speechless by paralysis of the vocal cords, removal of the larynx, damage to the associational fibers of the brain, or cerebral

palsy. The students also were to note the reactions of the so-called "normal" person toward the speech-deficient individual.

As a whole, the students acting as mutes felt awkward, unsure, conspicuous, nervous, and highly frustrated. They were constantly being made the center of attention and the large amount of effort needed in pad and pencil communication proved exhausting for many of them.

"It was a frustrating experience to be forbidden the use of a quick and effectual method of communication," said Barbara G. Phillips.

During her two hours of silence, Janet S. Newman said she felt uneasy and unsure of herself.

Susan I. Hipsher said, "I went to a bakery and purchased some cupcakes. The clerk was very short with me at first, as if she thought I was some sort of a jokester, but then she seemed to soften and pity me. In the bakery there were other people and they just stood and stared at me. I felt very conspicuous and self-conscious when this happened."

The 30 experimenters observed that normal persons were sympathetic, kind, questioning, impatient, and pitious.

Rosemary A. Smet wrote a note in a drug store asking for some cigarettes. "When the clerk read my note he was rather 'quick' with me, as if he didn't want to be bothered, and hurried and gave the cigarettes to me," she said.

"I went downtown to buy groceries," said Judith R. Smith. "People thought I had laryngitis. They advised every remedy from seeing a doctor to drinking ice water."

"The one thing which stood out in my relationship with new acquaintances," said Arlin Saam, "was their instant attention. They became very alert and seemed to make a special effort to be friendly

and to appear what they would consider normal."

While shopping in a department store, Janet M. Shepard said she felt a saleslady seemed to pity her. She noticed that the saleslady actually never looked her in the eye, except to ask questions.

Noting that different people had varied reactions, Elizabeth A. Krupp said, "One person talked constantly, as if to make up for my inability to talk."

At times, the students were amused at the normal person's immediate assumption that the "mute" student also was deaf. Upon learning of the student's inability to speak, most people would talk louder, use sign language, exaggerate lip movements, or revert to pad and pencil communication.

In a dime store, a clerk smiled sympathetically at Margaret M. Dunn. Miss Dunn stated, "She attempted to say something and then decided that I was deaf so she stopped."

Charles C. Herrick said a laundry clerk, afraid that Herrick might be deaf as well as mute, was shocked and showed pity.

Concerning the experiment as a whole, Mary Sue Mangano said, "It was like waking up from a bad dream and finding out it was just a dream."

After the students spent two hours in a speechless world, Dr. Hyman expressed the hope that the students in Speech 325 had gained some insight into the feelings and problems of the people with whom they are likely to be working in clinics, hospitals, and, at times, in schools.

## Senior Violinist Presents Recital

Louella J. Wolford, violinist, will present her senior recital at 8:15 p.m., tomorrow in the recital auditorium, Hall of Music.

Miss Wolford will be accompanied by pianist Susan J. Brandon. Works to be performed include "Concerto in A Minor," by Bach; "Sonatine in D Major," by Schubert; "La plus que Lente," by Debussy; and "Fiddle-Doodle-Ad," by Ross Lee Finney.

Miss Wolford is a student of Paul Makara, instructor in music. The recital is free of charge and open to the public.

## UAO Will Sponsor Lost, Found Day

Tomorrow will be Lost and Found Day, sponsored by the Union Activities Organization.

All lost and found articles will be displayed from 8 to 11:30 a.m. in the Wayne Room of the Union.

For the remainder of the semester, lost articles will be displayed in the old darkroom on the third floor of the Union. The darkroom will be open from 11 to 11:30 a.m. and from 3:30 to 4:30 p.m., Mondays through Fridays.

"Who owns the electric company?"

Some people can answer that question with the greatest of ease—but a surprising number of our own customers can't.

Thousands of people own the electric company. All kinds of people, people who invest money in the company and help it grow to serve you better.

That makes it an independent business—not owned by the city, the state, or any kind of government.

And that's one of the big reasons why you can always be sure of having plenty of electricity, at a bargain price.
